

Our Mission

The mission of Groton Central School is to provide meaningful opportunities for each student to excel in a small, collaborative, diverse environment. We are committed to preparing our students with knowledge and skills to succeed in an ever changing world.

Our Vision

At Groton Central School, we strive to create a nurturing, vibrant, engaging and innovative learning community that is committed to high standards for all.

As the hub of our community, our school will respect the needs of, and value the contributions provided by all students, parents and families, faculty and staff, community members, local businesses, religious and civic organizations, and higher education partners.

We will diligently engage in the daily pursuit of fostering "GROTON PRIDE". We will be collectively defined by our commitment to prepare our students for a college and or career path, while becoming lifelong learners and contributing community members. Our collective focus and passion is to encourage, enable, and expect excellence.

We are Groton!

Our Beliefs

Students First

It is our responsibility to develop the whole child and ensure that all students achieve their highest potential. The interests of students are placed above all else.

Excellence

We strive for excellence in all that we do through high expectations, and challenging ourselves and others to continuously improve.

Character

Our actions reflect our values of respect, integrity, kindness, good citizenship, and professionalism.

Communication

Transparent communication among students, parents, faculty, staff and community builds and maintains trust, credibility, and productive relationships that promote a positive learning environment.
