

GROTON CENTRAL SCHOOL

October 18, 2022

Dear Parent/Guardian of Groton Central School District Student,

I hope this letter finds all of you well! I am writing to inform you of a school calendar change coming in November. In order to meet professional development and training needs of our faculty and staff, ***we are going to shift November 10, 2022 from a student attendance day to a Superintendent's Conference day. Therefore, there will be no school for students.*** We appreciate your understanding of this change, as we hope to cover topics that will enhance our faculty's delivery of curriculum and instruction across the district.

Should you have any questions regarding this, please feel free to contact the main office of the building your child attends.

Sincerely,

A handwritten signature in black ink that reads "Margo Martin". The signature is written in a cursive, flowing style.

Margo Martin
Superintendent
