

## Groton Central School Memory Garden Campaign

Wherever your pursuits may take you, you can always be a part of Groton Central School. This is an opportunity to support our school and make a lasting impression and commitment to Groton Central School. This is a great opportunity to honor your child, family member, graduating class or business, remember that special occasion, and create a permanent memory etched in stone.

The Groton Education Fund, Groton Central School and Groton Alumni Association are co-sponsors of the Groton Central School Memory Garden Campaign, Buy a Brick...Make a Memory.

The Groton Education Fund Advisory Board members help with fundraising events and evaluate projects for funding support. The proceeds from the Groton Central School Memory Garden Campaign will provide financial support for education initiatives that supplement and enrich school programs. The proceeds will also support ongoing efforts of the Groton Alumni Association.
